

Periodical Test Notice

Dear Parents & Students,
Salam!

The board has advised measures for a comprehensive evaluation that takes care of the all-round performance of the students in Class-IX and X. The schools have also been asked to maintain a digital record of their performance scores both for Class-IX & X.

Accordingly, we have taken a measure and devised the following structure for assessment as given below. You are requested to go through each term marks break-up with respect to the description given.

Structure of Assessments for Classes IX & X

First Term 2021-22

Periodical Assessments-1					Half-Yearly Examination	
Attendance [10]	Online Class Discipline [05]	Participation in Online Classes [05]	Assignments Submitted [10]	Periodical Test [20]	Unit Test [20]	Terminal Examination [80]

Final Term 2021-22

Periodical Assessments-2					Final Examination	
Attendance [10]	Online Class Discipline [05]	Participation in Online Classes [05]	Assignments Submitted [10]	Periodical Test [20]	Project [20]	Terminal Examination [80]

Note: 1. Numbers given in brackets are suggestive of the marks allotted for each assessment component.

2. The same structure is applicable to all subjects except 6th Subject (Computer/Commercial Applications) where the project is of 100 marks in total and the Question Paper shall be of 100 marks as well. The periodical assessments for 6th Subject will however be the same as other subjects.

3. The final performance report will have a reflection of all the above assessment components. It is, therefore, important that the students score on all fronts as the same will be forwarded to the council for final calculations.
