Dear Hiring Team ,

I am writing this letter to apply for the position of Mathematics Teacher . I am including my resume that lists my qualifications and experiences.

Your School has a reputation of academic excellence and I am confident that I can play a key role in helping your school continue to deliver teaching excellence. I believe I have the combination of skills and experience necessary to excel in this role. I have a flexible approach to problem solving and I'm proactive in finding innovative solutions.

I have had the wonderful opportunity to teach a diverse group of students, and as a result, I have developed highly effective teaching techniques and instructional methods, which have allowed me to educate all styles of learners, and foster a fun, engaging and a positive learning environment. My teaching method is student centric and I endeavour to make each and every student the best version of themselves .

Thank you for your time and consideration. I look forward to hearing from you soon regarding next steps.

Best Regards,
Benazeer Alam
